

NOTICE OF DETAILED DESIGN AND PUBLIC INFORMATION CENTRE 3 Front Street Wastewater Pumping Station and Wastewater Diversion

The Region of Peel has retained Stantec Consulting Ltd. (Stantec) to undertake the Detailed Design for the extension of the Lakeshore Road sanitary trunk sewer and Zone 1 watermain from Jack Darling Memorial Park to Elmwood Avenue (see map).

A key component of the Detailed Design is consultation with interested stakeholders through a Public Information Centre (PIC). The PIC will present the design of the project, construction timeline, construction staging and detours, potential impacts, and potential mitigation measures. You are invited to an in-person PIC to learn more about the project.

Date and Time: Thursday, March 21, 2024 from 6:30 – 8:00 p.m.
Location: Clarke Memorial Hall – Main Hall
161 Lakeshore Rd. W., Mississauga, ON, L5H 1G3

All presentation materials will be posted on the Region of Peel's website.
